The image displays a collection of digital wall tiles arranged in a grid. Each tile features a light-colored wood grain pattern and a small, dark metal pull or handle. The tiles are arranged in a staggered pattern, with some tiles offset horizontally from others. The overall appearance is that of a modern, minimalist wall covering. The tiles are shown in three rows, with the middle row being the most prominent. The background is a solid dark color, which makes the light-colored tiles stand out.

The image displays a collection of digital wall tiles arranged in a grid. Each tile features a realistic wood grain texture in shades of light brown and tan. Small, metallic, rectangular pulls are attached to the tiles, mimicking the look of a cabinet or drawer front. The tiles are arranged in a staggered pattern, with some tiles offset horizontally and vertically from their neighbors. The overall effect is a modern, industrial aesthetic with a natural wood touch. The background is a solid dark grey, which makes the wood and metal elements stand out.

The image displays a collection of digital wall tiles arranged in a grid. Each tile features a complex, three-dimensional geometric pattern. The pattern consists of interlocking, angular shapes that create a sense of depth and movement. The color palette is rich and varied, including shades of brushed metal (silver, grey), dark wood-grain, and lighter wood-grain tones. The overall effect is a modern, textured surface that changes as the viewer's perspective shifts. The tiles are presented in a 2x2 grid format, with a black border separating the individual tile samples.
